

TechneTitle is protecting you from wire fraud with ClosingLock

ClosingLock is the world's leading online platform for protecting your clients from real estate wire fraud

How It Works

You will be notified via text/email to log in to ClosingLock

Use any device to securely log into ClosingLock's portal

Securely upload your wire instructions to ClosingLock

ClosingLock makes it easy to securely provide your wire info to TechneTitle

With no registration required, apps to download, or passwords to remember ClosingLock makes it easy to securely provide your wire information.

We integrate with over 11,000 financial institutions, enabling you to either manually provide your account details or simply input your online banking credentials to automatically provide wire information.
